

The purpose of the Exchanges Liaison is to enable professional and cultural exchange in Primary care through the coordination of the EYFDM Exchange group activities. They do this through facilitating application and communication, issuing certificates and organizing relevant workshops and awards. This role is important as it enables EYFDM to meet its constitutional obligations in providing opportunities for colleagues to meet and learn from each other, promoting collaboration among National young GP associations and promoting the discipline of Family Medicine/General Practice.

Duties and Responsibilities

- EYFDM Exchange email account management
- Exchange group website section updates, awards and conference exchanges advertisement •
