THE JUNIOR RESEARCHER AWARD

BRUSSELS 2023

GOAL

The European Young Family Doctors' Movement wants to encourage New and Future General Practitioners/Family Physicians (GP/FM) to develop their research skills to improve health care in primary care. For this reason, the EYFDM presents an annual Junior Research Award with the aim of rewarding advanced projects of GP/FM trainees or junior GP/FM physicians with up to 6 years working experience after graduation.

Applicants are asked to describe in detail a research project and finalists will be invited to present it during a EYFDM workshop at the WONCA Europe Conference in Brussels.

APPLICANTS

The researcher must be either a GP/FM trainee or a Junior GP/FM up to 6 years after graduation from vocational training. The research project must be an advanced research project and must have an impact on the field of primary care. We accept both the finalised research project and these still in progress. Candidates who decide to apply with unaccomplished research projects should make double efforts to describe it reliably and in detail.

THE PROCESS

1. Each candidate is asked to fill in the project proposal for the Junior Researcher Award (see: JRA project proposal) and send relevant documents to her/his National Delegate (the list of National Delegates). National Delegate chooses two researchers from his/her country using JRA Rating Grid (see: project proposal). Only two applications per country and one application per candidate is accepted.
2. National Delegates should send applications to the Awards and Fundraising Officer who will forward them to the Jury.
3. The Jury will choose three finalists. To get to the final the candidate must score at least 55% of points.
4. Each finalist will present her/his research project during the workshop at the WONCA Europe Conference in Brussels and the Jury will choose the winner.
5. The winner will be announced during WONCA Europe Conference Closing Ceremony.

DOCUMENTS

1. **Copy of a document proving young doctor status** (GP trainee or during the first 6 years after training) saved as Name_Country_Status_JRA2023
2. **Short letter of presentation** (up to 500 words) from the candidate specifying the status of the applicant (trainee or junior GP) at the top of the letter, saved as Name_Country_Presentation_JRA2023
3. **Project proposal** saved as Name_Country_Project_JRA2023

Each candidate should send all the documents to her/his EYFDM National Delegate (the list of National Delegates).

Documents should be saved in PDF format.

National Delegates will select up to 2 applications and send the required documents to the Awards and Fundraising Officer (awards@eyfdm.eu).

CALENDAR

Deadline for sending the project proposal to the EYFDM National Delegate	To be defined locally
Deadline for the National Delegates to send the chosen applications to the Awards and Fundraising Officer	1st April
Sending the selected applications to the Jury	8th April
Collecting results from the Jury	22nd April
Announcement of the finalists	30th April
Presentation of the project proposal during the EYFDM research workshop at the WONCA Europe Conference in Brussels	7th-10th June
Winner's announcement	10th June

THE JURY

The jury will be chosen amongst the members of EGPRN, EYFDM Research Special Interest Group, EYFDM Council and EYFDM Executive.

PRIZES

Three finalists will be invited to present their research projects during the workshop that will be held at the WONCA Europe Conference in Brussels.

For a winner

1. €1000 prize

For the two runner-up finalists

1. Reimbursement of the registration fee for WONCA 2023 Brussels (to a maximum value of 500€ per person).

CONSENT

The finalists agree on receiving prizes on the condition that they will present the research projects during the EYFDM research workshop at the 2023 WONCA Europe Conference in Brussels.

The finalists will allow EYFDM to publish their curriculum, portrait photography and research abstract on the EYFDM website as examples of Champions of Research in Family Medicine.

QUESTIONS

If you have questions regarding any part of the process of the Junior Researcher Award write to Marta Kurdzialewicz (EYFDM Awards and Fundraising officer): awards@eyfdm.eu
