

Greetings!

Organised by the Community Health Centre Ljubljana and the Faculty of Medicine, University of Ljubljana, we proudly announce the

**2<sup>nd</sup> International Scientific Conference of Primary Care, entitled:  
“INTERPROFESSIONAL TEAMWORK AND QUALITY IN HEALTH CARE”,**

to be held on **23 - 24 November 2023** at the **Cankarjev dom** in Ljubljana, Slovenia.

The conference is aimed at all professionals involved in primary healthcare (doctors, nurses, social workers, public health professionals, physiotherapists, dentists, administrators, psychologists, sociologists), as well as educational staff, students and key opinion leaders.

**In order to strengthen the primary level and integrate it with the secondary and tertiary levels, please inform and invite as many participants as possible to participate and submit scientific contributions through your channels.**

Main topics of the conference:

- ❖ Integrated primary care
- ❖ Quality and safety of interprofessional work in primary care
- ❖ Planetary health and sustainability in primary care
- ❖ Interprofessional education and training with simulators and other new approaches

Registration is open at: <https://www.iscpc.si/index.php/registration>.

For more information about the conference and deadlines for abstract and full paper submissions, visit <https://www.iscpc.si/>.

We look forward to your contributions to this conference!

You are kindly invited to join us!
