

29TH WONCA EUROPE CONFERENCE

The Convention Centre Dublin
25–28 September 2024

EYFDM

WONCA Europe, in association with the Irish College of General Practitioners & European Young Family Doctors' Movement

BACKGROUND AND AIMS

WONCA Europe, in association with the Irish College of General Practitioners and the European Young Family Doctors' Movement have joined forces to financially support young family physicians across the region and bring them closer to the international community of general practitioners. The truly inspirational power and strength of WONCA Europe and EYFDM community are based on the diversity of their members. Each member is equally important but there is no equality without equity. The Fund has been created to equalize opportunities for participating in the WONCA Europe Conference and EYFDM Preconference in Dublin. We use the Fund especially to support those who have low income, as well as those who are new to the international community of Family Physicians. We are convinced that participation in the mentioned events can boost the motivation of being a great physician and build a strong network of family doctors across the continent. Our goal is to strengthen Primary Care in the European region by reinforcing, inspiring, and connecting its general practitioners.

There are two bursary thresholds: **1000 €** and **500 €**. The final amount of the bursary given to the applicant will be decided by the Jury.
