To: EYFDM Council Members

Subject: Invitation to bid for the next EYFDM Forum

The EYFDM Executive Board invites Europe Council Members to submit bids to host the 10th EYFDM Forum which should take place after the WONCA Europe Lisbon Preconference in 2025 (14th to 17th of September 2025) and before the WONCA Europe Paris Preconference in 2026 (26th to 29th of June 2026). *The 2026 January or February seems to be a suitable time.*

National representatives interested in hosting are invited to submit proposals to secretary@eyfdm.eu by midnight on **15 July 2024**.

This will allow a month window for the Council to read the material and submit questions to applicants / provide feedback to the bids before the vote, highlighting ways to help candidates improve them.

The winning host will be selected by vote at the next Council meeting which will be held hybrid at **WONCA Europe Dublin Preconference in September 2024**. The bidders are invited to attend to present their bid; there will also be time for some questions before the vote.

Candidates should prepare a **written proposal** (a PDF document including budget and logistics), a promotional **PowerPoint or video presentation and a letter of support from their national member organisation** (explaining financial and moral support). The PDF document should not exceed 10 pages; tables/diagrams and good graphic design are welcome.

Informal enquiries are welcome and should be made to events@eyfdm.eu .
