

WONCA Europe Conference 2024 Dublin

Dear EYFDM member,

The Scientific Committee invites you to submit an expression of interest to be one of a group of four Keynote Speakers in the Opening Ceremony Plenary Lecture, at the WONCA Europe Conference 2024 on Wednesday 25th September, 17.00-19.30. <https://www.woncaeurope2024.org/programme-at-a-glance>
Each speaker will talk for 5 minutes on **CULTIVATING THE FUTURE of FAMILY MEDICINE**

It will be our pleasure to include two members of EYFDM among the four speakers on this panel.

The two Keynote Speakers who have already confirmed their participation in the panel are:

Professor Karen Flegg – President of WONCA World

Professor Shlomo Vinker – President of WONCA Europe

We hope that the four speakers will talk without slides while sitting. However, the arrangement is yet to be confirmed. There will be no Q&A section. EYFDM speakers will have conference registration fee paid and be supported to the level of economy travel and accommodation for conference days only.

If you are interested in talking for five minutes in the Panel Presentation, we ask you to send us

1. **One page** with your name, country, position, stage of your GP career, affiliations and interests, with:
2. **A document with the text of your presentation** on the topic above. This should take no longer than five (5) minutes to speak, in easy English, approximately 550-600 words.
3. **A video recording of you speaking a section of your presentation**, no longer than one minute.

Please send the above information by **midnight 16th July**, to andree.rochfort@icgp.ie

Yours sincerely,

Asst. Professor Dr Andrée Rochfort MICGP - Co-Chair of the WONCA Europe 2024 Scientific Committee
